

Disrupting Offshore Wind

Alex Raventos
CEO & Co-founder

PCT Patent filed
PivotBuoy® trademark

Our PivotBuoy® Technology

Lighter structure

Lower bending moments, less steel required

Easy to Install

PivotBuoy® Single point mooring technology

Reliable

Use of passive systems, downwind configuration

Scalable

TLP mooring for deep waters (50 to > 500m)

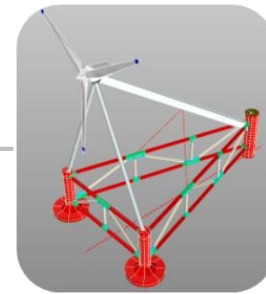

Smallest footprint

Small anchor point vs long catenary systems

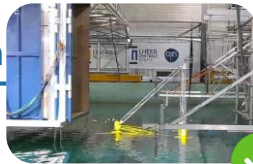

Our path to market

03 Scaling-up & commercialization

02 Demo at Sea in Canary Islands

01 Optimization & Validation

Proof of Concept
